Director's Message

Dear Parents and/or Guardians,

I would like to thank those who were able to join us for the Halloween Dress Up Party! The children looked amazing dressed up as different characters! Thank you to families that brought in treats for the children. Children enjoyed them immensely.

A reminder that the Centre will be closed on November 13th for Remembrance Day. Each room will be learning about Remembrance Day and why we honor men and women who fought for us to protect us and keep us safe.

The Christmas photo shoot will take place on November 14th. Please note that if you haven't submitted the consent form, your child will **NOT** be allowed to participate. On November 22nd and 29th, mobile library will be visiting the Centre. Reading is very beneficial for the children and mobile library has been very successful on our daycare side.

Each room has an email update sheet. Please make sure you update your email address with your child's room Educators as we send our monthly newsletters and important information to families through email. If there are any updates or changes in your addresses or phone numbers, please let the Educators know as well.

Winter is here, and the temperatures are getting cold, please remember to send weather appropriate clothing as the children still go outside and will need gloves/mittens, hats, snow pants, and boots. If your child does not have appropriate clothing, they will NOT be able to join their friends outside. Please make sure there is an extra pair of clothing in your child's cubbies.

If anyone has any monthly news or knows of any events taking place in the community that they would like to share, please feel free to email it to us and we can add it to our newsletter.

If you have any questions, concerns or feedback please come talk to me, email me or call me.

Thanks, Shahista

Important Announcements

Please remember to send weather appropriate clothing with your child.

Please make sure that your child's clothes/items are clearly labelled.

Please remember to remove outdoor shoes at the entrance and send indoor shoes with your child.

If bringing in snacks, please make sure they are Nut Free and Nutritious according to Canada's Food Guide.

In the Community

Remembrance Day Ceremony 2017

Saturday November 11 from 10:30am to 12pm at St. Albert Cenotaph, St. Anne Street.

Daycare Centre Updates

Infant Room: In October, we have been exploring senses of sound and touch as well as going for walks outside or to the playground. In November, we will be celebrating Remembrance Day by doing crafts using red colour and introducing sign language.

Toddler Room: In October, we learnt about body movement, did a science experiment with pumpkin, decorated cookies and celebrated Halloween. In November, we are going to practice letters, counting and colours. Learn about different shapes and practice our fine motor skills of holding and cutting with scissors.

Preschool Room: We had so much fun in October from learning about life on a farm, to science experiments, to making our own slime. In November, we are introducing "Show & Share Day", will be learning about Remembrance Day and going outside to explore and play.

Kinder Room: We had a great October from venturing to the farm to putting on a music show to celebrating Halloween. In November, we plan to celebrate Remembrance Day and learn about different community helpers.

OSC Updates

In October, we focused on weather change, change in daylight and celebrating Halloween.

In November, we will begin with cultural celebration "Dia De Muertos" which is an exciting learning experience for the children. We will also learn about Remembrance Day which is a timeless holiday that the children appreciate. We will continue to talk about weather change and seasonal safety.
